CLASS WILL

We, the Senior Class of 1970, in sixteen individual and distinct parts, being about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory, and almost superhuman understanding, do make and publish this, our last will and testament, hereby revoking and making void all former wills or promises by us at any time heretofore made, or mayhap, carelessly spoke, one to the other, as the thoughtless wish of an idle hour.

The following may seem but trifling bequests, but we hope they may be accepted, not as worthless things lavishly thrown away because we can no longer keep them, but as valuable assets to those who may receive them, and a continual reminder of the generosity of heart displayed in our free and full bestowal:

1. To Gary Chambers, Frank Holland's dead seriousness and his ability to sing.
2. To David Eichor, Mike Skinner's position as teachers' pet.
3. To Nathan Hill, Reta Davis' job at the funeral home.
4. To Gary Johnson, Pat Dyer's height.
5. To Doyle Keith, Mabyn Thomas' mathematical abilities.
